13th August 2003

Dear Jo,

This is to thank you for the assistance of Vickers for the launch of the Fortune Power Issue and our event held in conjunction with Wally Yachts and the new 118 WallyPower. Your overall help in securing A-list guests is much appreciated.

Please keep an eye out for the next issue of Fortune, which will include promotional highlights from the event.

Best regards,

Stan Stalaker

PS Lets get together soon to discuss our plans for the Athens Olympics.
