TRAVEL GUIDE 2010

The ultimate round-up of the world's
chicest hotels, resorts & private hideaways

ISLAND TREASURE

Cas Gasi is Ibiza's best-kept secret, in the centre of the island; Kate Moss and Robert De Niro have both stayed here. This beautiful hacienda dates from 1880, and is surrounded by orchards with almond-trees, olive groves and a vegetable garden. As if that's not enough goodness for the club-weary, there are two luscious pool areas, a Jacuzzi and a sauna.

Cas Gasi (+34 971 19 77 00; www.casgasi.com), from about £275 a room a night B&B.

MY IBIZA MUST-HAVES

LISA B, MODEL, ACTRESS AND SINGER

'My Ibiza style is **boho chic** – the beauty of the island is that anything goes. You can be clean and serene or party till dawn (and then some), wear stylish clothes (I love **Antik Batik** dresses) or not wear clothes at all.

My favourite place to party on the island is in our home. But, for going out, **The Blue Marlin** has great music, food, cocktails and ambience. To shade myself from the scorching sun, I have a **Melissa Odabash** cowboy hat; and my favourite sunglasses are by **Roger Vivier**. I use **Bobbi Brown** sun protection for the body and **Elemis** on my face – the highest factor.'
